This month marked a significant milestone as the Honorable Prime Minister officially handed over more than 200 Citizenship Certificates to successful recipients during a special ceremony.

The certificates were awarded to individuals who have proudly attained Vanuatu citizenship through various pathways, including Naturalization, Entitlement, Regaining of Citizenship, and Citizenship by Marriage.

This important occasion reflects the Government of Vanuatu's commitment to recognizing and welcoming new citizens who have demonstrated their dedication and connection to our nation. It also celebrates those reclaiming their citizenship rights and families united through marriage.

In his address, the Honorable Prime Minister congratulated all recipients and encouraged them to uphold the values, responsibilities, and privileges that come with being citizens of the Republic of Vanuatu.

Congratulations to all new citizens and recipients of citizenship certificates. Welcome to the Vanuatu family!
