

Bio-data
for Honourable Minister, Mr. Ralph Regenvanu

His Excellency, Mr. Ralph Regenvanu is Vanuatu's Minister for Climate Change Adaptation, Energy, Environment, Meteorology, Geo-Hazards and Disaster Management. He has previously served as Minister for Lands and Natural Resources and as Foreign Minister, and is currently serving his fifth term as the Member of Parliament for Vanuatu's capital city – which is also Vanuatu's largest urban centre - Port Vila. From 2013 until 2015, Ralph was co-chair of the taskforce which was responsible for developing Vanuatu's

'National Sustainable Development Plan 2016-2030'. He is currently the Pacific Ministerial Champion for Loss and Damage.
